

Private golf - it's closer than you think.

40 UNDER 40

Carleton Golf & Yacht Club is pleased to introduce a new membership offering for golfers between the ages of 19 and 39!

When members join a private club, it is a long term decision, so joining earlier in your golfing life allows for many years of enjoyment! But we understand that in these challenging economic times, with mortgages, car payments and child care expenses, you may not have lump sum amounts to invest in a club membership. As such our new program allows for longer term payment plans, interest-free, plus special annual dues rates so that you can begin your golfing life at Carleton sooner rather than later!

Check out all of the information on the next page, which is also always available on our club's web-site!

www.carletongolf.com
